Dear Mr. Dulles:

Reference is made to my memorandum dated November 28, 1952, to General Walter Bedell Smith, then Director, Central Intelligence Agency, entitled "Frank G. Wisner, Miscellaneous - Information Concerning." This memorandum furnished information which had been made available to this Bureau by a confidential informant of known reliability to the effect that an individual believed identical with Frank Wisner had had a girl friend in Bucharest, Rumania, in 1944 named Carageale who was later discovered to be a Russian spy. Information from the informant pointed out that Wisner had been in contact with the Rumanian National Committee and had prevented entrance (into the United States) of Rumanians not in sympathy with this committee. The information also indicated that Wisner was a bitter enemy of (Nicolae) Malawa. ~~526~~

Reference is also made to the reply to my memorandum from General Smith, received December 22, 1952, in which General Smith advised it was true that in 1944, rank Wisner, along with other Office of Strategic Services and Mediterranean Air Force officers, had been billeted in the home of Mrs. Dimitri Brdgaru, also known as Princess Alexandra Caragea, Tanda Caragea, and Tanda Moeus, who in 1948 confessed to the Counter Intelligence Corps in Vienna, Austria, that she had worked for Rumanian Intelligence and had been a Communist informer for the prior two years in Rumania. General Smith stated that investigation had disclosed no association between

[redacted] advised that he had heard a rumor from [redacted] that [redacted] had been told by members of the Free Rumanian Council that Wisner had cohabited with a woman from the Soviet Legation in Bucharest, Rumania, when Wisner was with the American Embassy there. [redacted] stated Wisner had been seen in Paris, France, according to the Rumanian sources, with this woman, presumably about the time Wisner was in Bucharest. An individual named Nicolescu, Executive or Administrative Secretary, Free Rumanian Council, and a former high official in the Rumanian Foreign Office, was one of the individuals who had made the allegation to [redacted] concerning Wisner. [redacted] also said that the Rumanians had stated Wisner was being blackmailed by two Rumanians who had knowledge of Wisner's affair with this woman. [redacted] said the form of blackmail was not known to him but he assumed the Rumanians were obtaining money.

The Free Rumanian Council mentioned above may refer to the Rumanian National Committee. Nicolescu mentioned above could not be identified in our files on the basis of the information available, although it is known that one Grigore Niculescu-Buzesti, a former Foreign Minister of Rumania, has been a member of the Rumanian National Committee.

On 11-5-53 former Special Agent L. C. Huley  
furnished information, original source attributed to [REDACTED]  
that (1) Frank Bishop of CIA had at one time lived  
with a woman who was a Soviet agent in Budapest; (2) one  
Drobel with Radio Voice Free Europe was responsible for  
getting Bishop his job at CIA and [REDACTED] was involved in  
Soviet espionage; (3) Harry Gold of Radio Voice Free Europe,  
brother-in-law of Lawrence Duggan, had shown resentment to  
anti-Communist sentiments. Bufiles reflect [REDACTED] investi-  
gated by Bureau in 1951 and 1952 as it was alleged he  
furnished classified documents to unauthorized persons while  
employed at radio station RIAS in American sector of Berlin.  
When interviewed by Bureau agents 10-19-51, he denied this.  
Prosecution was declined by Department 5-11-52. [REDACTED]  
was interviewed by the Washington Field Office 11-12-53 and  
advised (1) he had heard unsubstantiated rumors that Frank  
Altschul (apparently identical with Drobel) [REDACTED] of  
Radio Voice Free Europe was involved in Soviet activities.  
He suggested interviewing Senator Hickenlooper and other  
individuals concerning this. Bufiles show Altschul, an in-  
vestment banker, was investigated at request of Joint  
Congressional Committee on Atomic Energy in 1949. No  
corroboratory information was developed in that investigation.

**DETAILS:**

This investigation was predicated upon information furnished November 9, 1953, by former Special Agent L. C. Nulty presently with the investigative staff of the Senate Appropriations Committee. Nulty received his information from [redacted]

b7D

[redacted] who in turn had received it from [redacted] Nulty's information was:

(1) Frank Vianer presently a Deputy Director of CIA had lived with a woman who was a Soviet agent at Budapest, Hungary, and had been seen with this woman in Paris as late as six months ago.

(2) One Urchel, a wealthy New Yorker, who was behind Radio Voice Free Europe, was responsible for Vianer getting his job at CIA and Urchel allegedly is a top man in Soviet espionage in the United States.

(3) Harry Gold, [redacted] was the brother-in-law of Lawrence Duggan (who committed suicide following an interview in the Alger Hiss case) and who has been tentatively identified as one of the unknown Soviet agents referred to in Bureau Source Security material. Gold allegedly showed repentance to anti-Communist sentiments expressed in his presence and Gold allegedly is still an employee of Radio Voice Free Europe.

Information was developed to the effect that [redacted]

Investigation also developed other information indicating actions on his part which would have resulted in unauthorized disclosure of military information had not preventive action

[redacted] Investigation failed to establish sufficient proof of this allegation. [redacted] was interviewed by Bureau Agents concerning the allegation and he denied it. (10-19-51) The facts of the case were presented to the Criminal Division of the Department who declined prosecution by letter dated August 17, 1952.

b7D

[redacted] was interviewed on November 12, 1953, concerning the information furnished by the Washington Field Office concerning allegations made by former Agent Miltz. At that time [redacted] advised that:

b7D

(1) - A Frank Altschul (apparently the person referred to by Miltz as Urshol), who was the brother-in-law of former Senator Herbert Lehman of New York, had furnished private financing for Radio Voice Free Europe. Altschul is a member of the firm Leonard Freres Company, investment bankers, New York. [redacted] stated he had heard allegations of Soviet activities by Altschul; that these were unsubstantiated but [redacted] said that Senator Hickenloper might be able to furnish additional information concerning this. He also suggested interviews with Walter Kforzheimer, legislative liaison representative for CIA; Carnot Office, former CIA employee; Philip A. Barbout, Silvermine, Connecticut; and John D. Cutler, Deepover Road, Stamford, Connecticut, the latter two formerly with Radio Voice Free Europe. [redacted] stated the above individuals could be interviewed and his name mentioned.

He also stated that Wiener and Altschul are close friends. The "Free Rumanian Council" referred to is possibly the Rumanian National Committee, an organization of Rumanian political personalities which has the aim of restoring Rumania's independence and free democratic institutions. It is an anti-Communist organization. (100-201823-2)

Colonel Sheffield Edwards of the Central Intelligence Agency (CIA) advised Liaison Agent Papich on April 27, 1953, that Allen Dulles was becoming greatly concerned about attacks which Senator McCarthy might direct against the CIA. Colonel Edwards stated that Dulles has been receiving rumors to the effect that Senator McCarthy has plans to "really blast the CIA." The reports received by CIA indicate that the Senator has received information concerning CIA employees whom he considers to be security risks. Colonel Edwards advised that the agency felt that the "undesirables" already had been removed, but Dulles nevertheless was worried. He was particularly concerned about the possibility of McCarthy's questioning the activities of Frank Wisner, Deputy Director of Plans, CIA. As you know, Wisner's association with a Rumanian woman, while he was with the Office of Strategic Services during the war, led to reports which painted him in a derogatory light. Edwards stated that reports about Wisner's past activities are again circulating in Washington and Senator McCarthy allegedly has taken an interest in Wisner's past. *SI (K) (u)*

James Angleton of the CIA confidentially advised the Liaison Agent that Dulles has been testifying in connection with CIA appropriations. Dulles feels that the agency will get most of the funds it has requested if Senator McCarthy does not create too many problems for the CIA. *SI (K) (u)*
